

SEEMOUS 2011 will be organized in Bucharest, Romania, on 2-6 March.

The South Eastern European Mathematical Olympiad for University Students with International Participation (SEEMOUS) was launched in 2007 by the Mathematical Society of South Eastern Europe (MASSEE). The first and the third Olympiads were held in Agros, Cyprus, the second one - in Athens, Greece, the fourth in Plovdiv, Bulgaria, and the fifth is organized in Bucharest, Romania. Many talented students from Albania, Bulgaria, Colombia, Cyprus, Greece, Israel, Romania, Russia as well as other European universities have had the opportunity to share their passion and love for mathematics, solve challenging mathematical problems, and meet new friends.
